Hertfordshire Police and Crime Commissioner's Action Fund

Fund Criteria and Guidance for Applicants

Grants Available: Up to £5,000

When to apply: The HCF grants panel meets to consider applications four times a year. See our website for deadlines.

Background to the fund: The aim of the Police and Crime Commissioner's Fund is to support community and voluntary initiatives which will reduce crime and make Hertfordshire a safer place to live by helping to deliver the priorities of the Community Safety and Criminal Justice Plan for Hertfordshire (2017 – 2022).

The fund is made up from funds recovered under the Proceeds of Crime Act 2002 (POCA)* and empowers local groups to find solutions to community safety problems.

Who can apply?

The fund is open to voluntary and community groups, charitable and not for profit organisations, including uniformed youth groups. Community Safety Partnerships and Parish, Town and District Councils can also apply. The commissioner particularly wants to support innovative projects which have sprung from local collaborations and partnerships and can make a lasting difference to communities in terms of safety.

What can we fund?

The fund is for projects rather than for solely running costs. Proposals can cover a range of activities lasting up to a year. These can include, but are not limited to: practical activities, research projects, awareness raising or training. We can also fund equipment and materials.

**The fund is made up from funds recovered under the Proceeds of Crime Act 2002 (POCA). This is a piece of legislation created to tackle organised crime, giving police officers the power to seize cash and recover assets such as cars and houses bought by criminals through the proceeds of their crimes.*

The money recovered and made through the sale of the criminal's assets can then be put back into community projects and helps to fund further investigations.

You need to show how your project helps to meet the priorities set out in the Commissioner's [Community Safety and Criminal Justice Plan for Hertfordshire \(2017-2022\)](#) click on the title to read the plan.

Applications which involve young people, particularly in the design or the delivery of the project are welcomed. The Commissioner is keen to engage young people and to support them in activities which will help them to invest in a safer community for all.
