Walking Direction to Foundation House from car park

There is no direct footpath to get to Foundation House from the Lemsford Road Car Park.

- The fastest route is via a little gate located on the opposite side of the car park entrance, it is a 3-minute walk to the building, and this gives access to the back of Foundation House building. Walk down the access road (be mindful of any cars) and turn left at the end of the road and left again to reach the office.
- Alternatively, there is a walkway near the Hatfield swimming pool that leads to St Peters Close, it is a 7-minute walk to the building. From the Lemsford Road Car Park walk down towards the swimming pool. Turn right onto St Peters Close and right again onto Fiddlebridge lane. Foundation House will be on the right-hand side.
- A shorter 5 minute route is fairly direct but involves walking along Lemsford Road with no footpath so if you go this way take care as traffic not great. Walk out of the car park onto Lemsford Road, turn left and then take the first turning on the left which is Fiddlebridge Lane. Then take the second left into Forum Place. Foundation House is on the left-hand side.
