

Hertfordshire Sustainable Funding Fair

Hertfordshire Community Foundation is pleased to once again be part of the Hertfordshire Sustainable Funding Fair.

This popular **FREE** event provides a great opportunity for voluntary and community groups from across Hertfordshire to come together to find out about new and existing funding and support services available in Hertfordshire.

Thursday 12 September 2019

9.30am - 2pm

University of Hertfordshire

Attendees can look forward to talking directly to funders, taking part in workshops, and networking with others from the voluntary sector.
