

HCF - Coronavirus Disaster Relief Fund appeal for Hertfordshire

For over 30 years HCF has played a key role in supporting Hertfordshire's communities and the recent developments surrounding Covid-19 will create unprecedented challenges for the voluntary sector as it seeks to support the elderly, isolated and vulnerable.

With the support of the [UKCF network](#) and the [National Emergencies Trust](#), HCF will take a local lead in supporting the sector.

As of today HCF has launched a new **Coronavirus Disaster Relief Fund for Hertfordshire**. To date we have secured £20k, from a very generous individual, and our hope is that we can boost this considerably.

If you or your business are in a position to support this appeal donations, of any size, can easily be made online here:

We send our best wishes to you in this challenging time.

Kind regards,

Foundation Director

- In the unlikely event that funds raised through this appeal outstrip demand any remaining funds will be distributed via HCF's Love Herts fund which supports local groups addressing social need.
- Every pound donated will be awarded in grants. HCF will however take 50% of any gift aid claimed on donations to help cover the associated costs of distributing the fund.
