Many of us who live and work here cherish this special county. We feel connected to our community, and want Hertfordshire to thrive for generations to come.

At Hertfordshire Community Foundation, we can help you leave a legacy that will impact our county far into the future. We're connected to more than 2,500 grassroots organisations which could benefit from your gift.

Local organisations can change the lives of local people, with your support. From providing a child's bed to a family in need to running a carer's support group to operating a local domestic violence helpline, every gift, no matter the size, makes a difference in Hertfordshire.

The Kitchen Front CIC, teach cooking and provide affordability workshops to men who have suffered a bereavement

Leaving a gift in your will is a way to give something back to a place you love.

It's also very simple to add Hertfordshire Community Foundation as a beneficiary in your will. Please talk to us about your gift. Our team has more than 30 years' experience and can ensure your wishes are acted upon effectively. Every penny you leave will stay in Hertfordshire, to support organisations you value and impact local lives for generations to come.

Your community. Your impact.

A gift in your will to Hertfordshire Community Foundation is no ordinary gift – because you can choose where it's used, and how you want to make a difference.

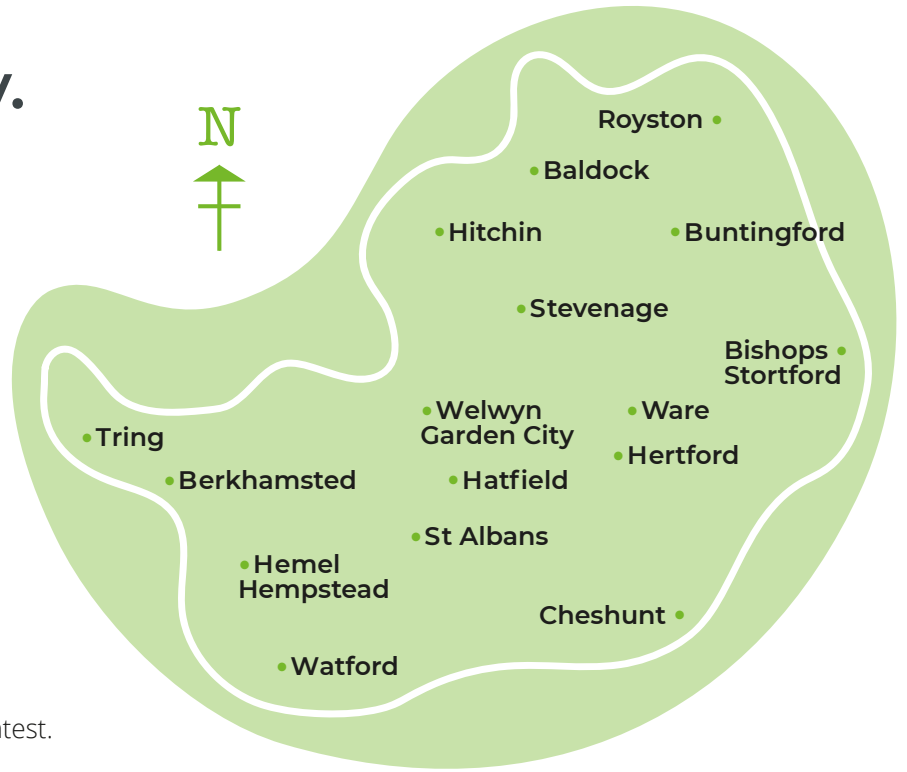

You can:

- Support local people where the need is greatest. We constantly assess the needs of our community, and can direct your gift where it will have a significant impact.
- Support the places or causes close to your heart. If a local town matters to you, you can direct your gift there. If you care about a particular cause, we partner with specialist organisations working in that area.

Living in Hertfordshire is a huge privilege and has given us the greatest pleasure. As a small gesture of thanks, we have added legacies in our wills to Hertfordshire Community Foundation so that the sums involved can benefit some of those less fortunate in the County.

Your support is vital.

Grass root organisations make a huge difference, often changing people's lives with limited funds.

Our community is facing significant challenges as a result of the pandemic and cost of living crisis, and the impact will be felt for generations to come. Demand for support has never been higher. Your gift to Hertfordshire is vital.

Your gift. Your choice.

With Hertfordshire Community Foundation, you can choose the type of gift you leave in your will:
