

Hertfordshire Community Foundation

Winter appeal 2019/2020

As the weather turns colder our thoughts turn to the local residents who are experiencing fuel and food poverty.

You may be surprised to learn that one in 11 households in Hertfordshire is classified as 'fuel poor'. This means that these households are having to make the difficult decision between heating their homes or eating.

How can you help?

Hertfordshire Community Foundation is running a winter appeal to support local people in greatest need.

Donations of any size will have a huge impact and will enable someone to heat their home and have a warm meal.

If you would like to support our appeal you can:

- Click the donate button below to give through Just Giving
- Send a bank transfer to Account Number 28592379 Sort code 60-10-39
- Send a cheque made payable to 'Hertfordshire Community Foundation' to HCF, Foundation House, 2-4 Forum Place, Fiddlebridge Road, Hatfield AL10 0RN

If you receive the government winter fuel allowance and don't need it to heat your own home then this appeal is a great way to recycle it and help someone else.

[DONATE](#)

Thank you for considering this appeal.

Best wishes,

A handwritten signature in blue ink that reads 'Helen Gray'.

Helen Gray

Foundation Director
